

Announcement for a Student Assistant/Research Assistant

The Professorship for Innovation and Technology Management, Technical University of Munich at the Straubing Campus, is looking for the following to start on **1 April 2024**:

Student/Research Assistant

The weekly number of hours is **up to 10 working hours**. The positions are initially limited to 6 months, but there is the option of extension. A longer-term cooperation is highly appreciated.

We want your support mainly in the following areas:

- Data collection, -processing (quantitative and qualitative)
- Literature research
- Survey administration
- General organizational and administrative tasks

You should:

- Enjoy scientific work
- Be able to organize and coordinate well
- Be able to work independently and in a team
- Be familiar with office applications (MS Word, Excel, PowerPoint)
- Not be afraid of statistical software (e.g., Stata); knowledge of programming language (e.g., Python) is a plus
- Be interested in working with us for a longer period

What we offer:

- Insight into the practical field of empirical innovation research and experience in scientific work
- Working with a young, committed team
- Flexible working hours (by arrangement) and reasonable payment

Please send your electronic application (including curriculum vitae, copies of certificates, transcript of records, and the number of desired monthly hours) to Silke Heindl, silke.heindl@tum.de, by **29 February 2024**.
