

The Chair of Sustainable Business Economics, TUM Campus Straubing is looking for:

## **Student/Research Assistant (m/f/d)**

The employment is planned to begin on 01.04.2024 and is limited until 30.06.2024. An extension is possible and a long term cooperation is highly appreciated. The weekly number of hours is up to 8 working hours. Payment will be made in accordance with the provisions of the collective agreement.

### **Goals of your work:**

- *Support in Data collection and processing (quantitative and qualitative)*
- *Literature research and review*
- *Support in creating models and carrying out simulations and calculations for sustainability assessments*

### **You should:**

- *Enjoy scientific work and be interested in sustainability*
- *Be able to organize and coordinate your work well*
- *Be able to work independently and in a team*
- *Be familiar with office applications (especially Excel)*

### **We offer you:**

- Insight and practical experience in scientific work and sustainability assessment
- Flexible working hours (by arrangement) and if needed your own workstation at the TUM Campus Straubing

Presence in Straubing is advantageous. Suitable tasks can be carried out from working at home.

If you are interested, send your CV and application letter, with the subject line "SHKSBE" to Veronika Adam: [veronika.adam@hswt.de](mailto:veronika.adam@hswt.de).
