The team of the Professorship of Economics at the TUM Campus Straubing for Biotechnology and Sustainability wants to offer a tutorial for the bachelor lecture Microeconomics in the winter term 24/25 und is therefore looking for a

Student Assistant (m/w/d)

Tasks

In addition to the exercises, the Chair of Economics offers a tutorial for discussing questions on lecture and exercises. This tutorial is to be led by students from higher semesters (Bachelor/Master) and are able and willing to pass on their knowledge. In addition to the preparation of the lecture content, further exercises from the topic area of microeconomics will be presented.

Skills and qualifications

- Advanced Bachelor studies / Master studies in the field of Bioeconomy, Sustainable Management & Technology, Economics or a comparable field of study
- High degree of responsibility, flexibility, and ability to work in a team
- Careful, conscientious, and independent way of working
- High level of English proficiency, German is desirable

We offer

We offer a temporary position from 01 October 2024 to 31 March 2025 with a weekly working time of five hours. The remuneration is based on the currently valid compensation rates of scientific assistants at the Technical University of Munich.
