

TUM Campus Straubing

MASTER'S PROGRAM IN BIOECONOMY - INFORMATION ON THE STAGE 2 OF THE APTITUDE ASSESSMENT FOR THE MASTER'S PROGRAM IN BIOECONOMY (SUMMERSEMESTER 2021)

Stage 2: Admission Interview

Should you be denied a direct admission, you still get the chance to prove yourself in the admission interview.

The interviews for Campus Straubing will be conducted **online** on

- February 16, 18 and 25, 2021
- March 1, 10 and 23, 2021

If necessary, especially due to COVID-19, additional dates will be offered and published on this website. Please check this website regularly.

Please “save these dates” on your calendar. You will receive an official invitation with one of the dates above around 1 – 2 weeks before the interview. Please note that the Admission Team of the TUM School of Management cannot make any estimate regarding which date will be assigned to you yet.

You will receive the invitation, as well as additional information about the interview process, via e-mail. Please check your e-mail and Spam folder regularly.
